

**GIRL SCOUTS OF THE PHILIPPINES**

**National Headquarters**

Manila

**NHQ CIRCULAR No. 15**

**Series 2020**

TO : REGIONAL EXECUTIVE DIRECTORS AND  
COUNCIL EXECUTIVES  
RE : GSP TRAINING POLICIES AND GUIDELINES  
DURING THE COVID-19 PANDEMIC  
DATE : JULY 2, 2020

---

The COVID-19 crisis poses a great threat to public safety and affects even the conduct of training programs, events and activities that involve face to face interaction. The crisis has resulted to the emergence of the “*new normal*” that imposes physical and social distancing and pushes for the use of online/virtual platforms in training.

In this connection, the Girl Scouts of the Philippines (GSP) came up with **Training Policies and Guidelines during the COVID-19 Pandemic** in order to steer the Regions and Councils on how to conduct training in the field under the new normal.

Efforts should be made at the National, Regional and Council levels to ensure that learning in GSP is not hampered. Training and Development will continue, however, the safety and well-being of our adult members must not be compromised.

The National Headquarters will be offering webinars and other online/virtual training in the coming months. We will announce the details in another circular and participation from the field is highly encouraged.

Meanwhile, please let us know of the Council’s training events for the year.

For information, guidance and compliance.

**MA. DOLORES T. SANTIAGO**  
National Executive Director
