For the activities on Girl Powered Nutrition (GPN) Program for the months of July and August, please visit the online educational nutrition campaign **Put Your Best Fork Forward (PYBFF)** at <https://www.facebook.com/PYBFF> which are geared towards promoting proper nutrition and developing good eating habits in line with the GPN advocacy of World Association of Girl Guides and Girl Scouts (WAGGGS). So, please join us in this celebration by adding the frame below to your facebook profile <https://www.facebook.com/PYBFF/photos/pcb.181124156707251/181123923373941/> and inform our Girl Scouts to register through this link <https://bit.ly/NM2020RegForm>.

Please note that we will release an addendum to this circular once the details of the activities for the months of September, October, November, and December are finalized. These activities will also be posted in the GSP Official Facebook page at <http://facebook.com/girlscoutsofthephilippines>.

In this regard, all Girl Scouts, Troop/Adult Leaders, volunteers, and staff are encouraged to participate in these activities.

To centralize social media account such as facebook for information dissemination and to help us better facilitate our online activities since most of these will now be conducted through different social media platforms, we would like all the Regions and Councils to create and have their own OFFICIAL FACEBOOK PAGE AND FACEBOOK GROUP. Existing ones can be enhanced and updated to make them more interesting and exciting.

The Facebook Group like the **GIRL SCOUT POWER National FB Group** is a good platform for Girl Scouts to express their thoughts, share ideas, and connect with one another.

Please refer to the attached form of the Regions and Councils' list of Facebook page and group names to be accomplished and submitted to NHQ Program Division on or before July 10, 2020.

Should you have further queries, please contact our Assistant National Executive Director for Program, Mrs. Ginnie W. Oribiana at email address [nhqprogram@gmail.com](mailto:nhqprogram@gmail.com).
